

## \$\$\$ HELLO FELLOW MONEY SEEKERS \$\$\$

I feel your frustration; I have tried every money making plan that has come along. The "Gifting Clubs", the send every name on the list \$1, then put your name at the top of the list, blah, blah, and make \$1,000,000 mailing letters. I have never made money on the programs that was promised. I don't know how much money I have spent just trying to find a way to make about \$300 - \$500 a week. I needed the money for bills, not new cars or material things. I had searched for about 5 years never making back what I spent... Then I remembered something my grandmother told me. "Tell The Honest Truth". So here it is. Send me \$5.00. **It will be the best thing you ever did for your Cash flow.** I will send you back the "HONEST TRUTH" money- making letter.

**DO IT NOW!!!**

**Fold a \$5.00 bill in a blank sheet of paper along with a self-addressed stamped envelope and send it to me. I am a real person.**

I will send you back the "**HONEST TRUTH**" Letter just like "Grandma" said. I have used it many times. I sent out 100 letters the first time, I got back from people like you \$295. Just like that I received 59 five-dollar bills. Now I average between \$300 and \$500 dollars a week for 2 hours of work every Saturday morning. I'm not greedy, this is what I needed! Please Do It Now. It Will Rain \$5 Dollar Bills in your Mailbox.

**IT IS THE HONEST TRUTH!!!**
